Note verbale dated 14 December 2001 from the Permanent Mission of Mexico to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of Mexico to the United Nations presents its compliments to the Chairman of the Security Council Committee established pursuant to resolution 1267 (1999) and has the honour to refer to note SCA/6/01(2), dated 26 November 2001, referring to resolutions 1267 (1999) and 1333 (2000), requiring the freezing of funds and other financial assets of the Taliban, including Osama bin Laden and individuals associated with al-Qa'idah.

In that connection, the Permanent Mission of Mexico has the honour to state that the Treasury, through the Mexican National Banking and Securities Commission, has requested stock exchange firms and credit institutions to provide information on and immobilize the accounts of individuals and associations with suspected ties to Osama bin Laden, the Taliban regime and/or al-Qa'idah, in keeping with the lists issued by the Committee. In instances where it is established that any of the individuals or associations referred to in the lists issued by the Committee have bank accounts in Mexico, the Mexican authorities will take the steps required under Mexican law.
